The screenshot displays the GHMC (Gashua Housing and Municipal Council) CMS interface. The top navigation bar includes the GHMC logo and a menu with the following items: PROPERTY TAX (selected), WATER METER, BIRTH REGISTRATION, DEATH REGISTRATION, SHOPS, COMPLAINT, FEEDBACK, WHERE CAN I, WEATHER, INSTITUTIONS, TENDER NOTIFICATIONS, and ABOUT GHMC. The main content area is titled 'PROPERTY TAX' and features a 'Add New' section. This section contains a form with the following fields: PTIN/ASMT No. (with a 'BROWSE' button), Name, Circle, Door No., Locality, Current tax, and Arrears. There are 'SUBMIT' buttons for both the 'Add New' form and the 'Import Excel' section.

- Easy Handling
- Creating New records for Property Tax, Water Meter, etc.
- Update/Change existing records
- Add and Update of Tenders
- Checking Complaint and updating the particular department
